

Product Overview

Quick & Easy Installation

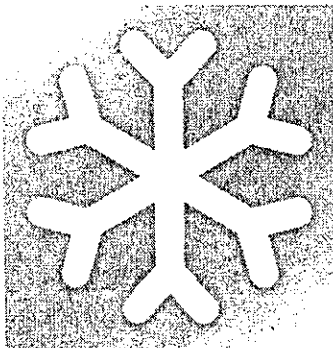

When you just want to cool off, the last thing you need is a complicated installation. Easily connect the hose to the window and secure the window panel. Turn On and Cool Off.

Light & Mobile

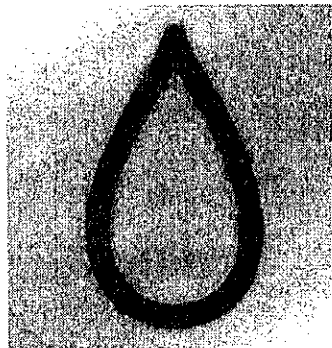

The sturdy four-wheel design lets you effortlessly move the air conditioner from room to room so you stay cool no matter where you are. All you need is a window.

Live Chat

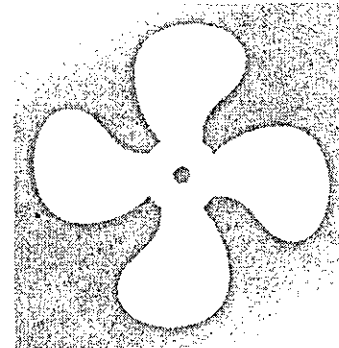

Cools

Quickly cools the room on the hottest days. A complete 3-in-1 indoor comfort solution.

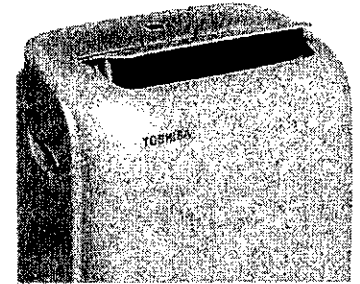

Dehumidifies

Removes up to 2.5 pints of moisture from the air each hour with the stand alone dehumidifier function. A complete 3-in-1, indoor comfort solution.

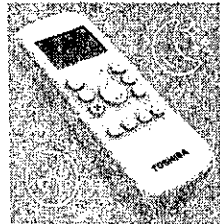

Fan Function

Fan mode circulates fresh air throughout the room and eliminates stagnant air. A complete 3-in-1, indoor comfort solution.

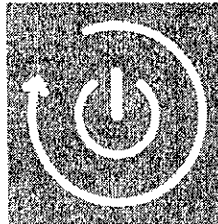

Louver Auto-Swing

Activate the Louver Auto-Swing feature and more evenly distribute cooled air throughout the room while maximizing circulation.

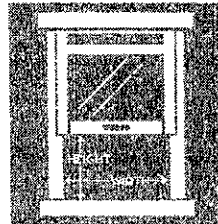

Remote Control

The easy to use included LCD remote lets you adjust all air conditioner settings without getting up from the sofa or dinner table.

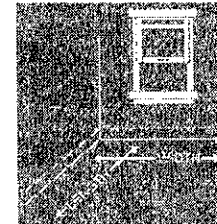

Auto Restart Function

If the unit shuts off due to a power outage, it will restart with the last settings when the power resumes.

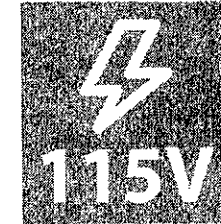

Measure Your Window Opening

Perfect solution for both horizontal or vertical sliding windows, 26.5 to 48 inches.

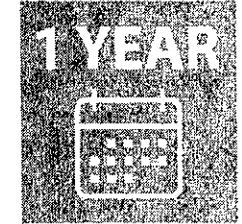

Measure Your Room

Simply multiply the width by the length of your room to find the area to determine how many BTUs you need.

Voltage

No special electrical outlet needed, works with a standard 115-volt outlet.

1 Year Limited Warranty

One year limited warranty on parts and labor. So you can purchase with confidence.

The Toshiba portable air conditioner has the cooling power you need to cool, dehumidify or ventilate up to 250 sq. ft. while removing up to 2.5 pints of moisture from the air each hour. You can control using the LCD remote control or the integrated electronic control panel and display. The unit also has a compact, light and modern design for quick and easy installation in most vertical sliding and casement-style windows so you can move it around from room to room using the 4 integrated wheels. Intelligent features such as the 24-hour Timer, Sleep Mode and the automatic vent angle for better air distribution help you to personalize your comfort. You can cool, dehumidify or ventilate the space you need and get peace of mind with 1-year warranty by Toshiba.
